

A CHURCH TO THE COMMUNITY – MAY 2, 2021

Welcome Home
We are excited to have you worship with us this Sunday. If you haven't already done so, please stop by our Welcome Center, fill out a CONNECT card, and allow us to commemorate your visit with a gift from our church.

Thanks to our Ladies Ministry, and Mike & Alison Dean for cleaning our church this week. Also, thank you to Nathan & Jane Shirey and Harold Cromer for making our church grounds look fantastic this week! You guys ROCK!

GO KIDS
Please take advantage of our exceptional Kids Ministry Program today. We have something for children from birth to 5th grade. Check-In is required and our hospitality staff will be happy to walk you through the short process.
If you choose to have your children in the service, please be sensitive to others. We do have a Nursery and Cry Room at the back of our sanctuary.

Leadership Meeting: If you hold any volunteer position @ LexCOG, please make plans to attend this meeting TODAY @ 4pm in our sanctuary. Pastor Mark will share some important things as we go forward in 2021.
Mother's Day: Make plans to join us NEXT Sunday, May 9th, as we honor our LexCOG Moms. We will have some special giveaways, so you don't want to miss out. Invite your Mom, and if you are a Mom, invite your children to attend with you.
Horseshoe/Corn hole Tournament: Men, make plans to join us for this awesome event on Tuesday, May 18th @ 6:30pm, here on the church grounds. We will have food, fellowship, and prizes. So, be sure to invite your friends and family to join you.

REGISTER TODAY!
Don't forget to register your 5K - 5th grade students up for one of our Summer Day Camps. For more info, please visit our church website @ lexcog.com.

If at anytime you feel uncomfortable in the main sanctuary, we have an overflow sanctuary for you and your family to worship in. Also, we will continue to LIVE Stream our 10:30am service.
